Dear Parent/Guardian:

Senate Bill 895 requires schools and children's facilities to share immunization and exemption rates in three ways:

1. On the school or children's facility website,
2. In the main office, and
3. By sending a paper or electronic copy to parents twice a year.

These immunization rates must be shared twice a year:

- Within 30 days of the beginning of the school year.
- Within 30 days after Exclusion Day, which is always the third Wednesday in February.

Should you have any questions, you may either visit the Oregon Immunization Program website at: www.healthoregon.org/imm or contact our office at 541-935-2101.
